Bio

I have been a member of the Italian National figure skating team for over 15 years during which I was Junior National Silver Medalist and Senior National Bronze Medalist.

I participated in several Junior Grand Prix, in ISU Senior International competitions and in 3 editions of the Winter Universiade.

Between 2004 and 2008 I moved from Italy to the United States of America to train in Lake Placid (NY) and improve my capabilities.

During my stay in the US I trained with Olympic Coaches, Gilberto Viadana and Michela Boschetto, and I took lessons from Brian Orser, Robin Wagner and Evelin Kramer.

I also participated in many US competitions such as: Liberty Open (PA), Middle Atlantic Championships (NY), Boston Open (MA), Cranberry Open (MA), Lake Placid Open (NY) and Empire State Games (NY).

In 2011 I started my career as a coach collaborating with the Olympic Coach Cristina Mauri and being helped by Carolina Crisafulli.

From 2016 I worked as Main Coach and rink coordinator for figure skating at the renewed skating club of Mediolanum Forum, creating my team composed of the best professionals to cover all aspects of figure skating, I have worked continuously with: Carolina Crisafulli (assistant coach), Simone Vaturi (choreographer and skating skills), Nicoletta Lunghi (choreographer and skating skills), Silvia Bricchese (choreographer and ballet teacher) and Mirco Botta (physical preparation professor).

During these years I brought Italian and European athletes to National and International competitions, as Junior Grand Prix, World Junior, Youth Olympic Games EYOF and many ISU International Competitions.

Through the seasons I have expanded my technical skills by participating in seminars and courses both in Italy and abroad, I studied fundamental aspects of sport, such as general and specific physical preparation and sports psychology.

In 2008 I obtained the title of National Technical Specialist, in 2012 the title of International Technical Specialist and in 2014 I was promoted to ISU Technical Specialist being invited in many national and international competitions as an Official.

Since 2011 I constantly worked beside the Italian Skating Federation (FISG) as a moderator for technical specialist and controller refresher courses, as moderator for new coach courses and as part of regional coaches workgroup with the aim to develop the figure skating movement in the territory.

In 2018 I was hired by MMGIMBO LLC to start a new Figure Skating School in the Hudson Valley (NY).

I currently coach at Palisades Center Ice Rink in West Nyack, Sport-o-Rama in Viola (NY), Westchester Skating Academy and IceTime Sports Complex in Newburgh (NY)

under the direction of the Olympic Coach Gilberto Viadana.

During 2019 I took part as moderator in three Olympic Dream Seminars in Newburgh (NY) focusing on jumps technique and ISU Judging System Rules.

Since 2019 I brought many US skaters to the most important competition of the east coast such as Liberty in Philadelphia (PA), Mid-Atlantics in New York City (NY), Summer Figure Skating Championships in Lake Placid (NY), East Coast Regionals in Aston (PA), Moran Memorial Championship in Hackensack (NJ), Greenwich Town Competition in Greenwich (CT), Morris Open in MorrisTown (NJ), Philadelphia Summer Competition in Aston (PA).

At the Summer Figure Skating Championships in Lake Placid I also served as an Official (Technical Specialist) in the Novice, Junior and Senior event.

During 2020 Pandemic lock-down I was able to help many skaters to stay in shape by holding off-ice classes online through the website midhudsonskatinglessons.com.

These past months some of the skaters I train competed in virtual competitions organized by US Figure Skating on nationwide a scale. Katie Krafchik won the gold medal at the U.S. Championship Series Novice.

Working Experience

Mmgimbo LLC. / Figure skating coach

MARCH 2020 - PRESENT, PALISADE CENTER ICE RINK WEST NYACK (NY), WESTCHESTER SKATING ACADEMY ELMSFORD (NY), SPORT-O-RAMA VIOLA (NY), ICETIME SPORTS COMPLEX NEWBURG (NY)
